

Public Comment for Special Meetings

Persons wishing to make public comment were required to register prior to the start of tonight's meeting. If any current CBSD students registered to speak, they will be permitted to do so first. Please note that public comment during Special Board meetings is limited to agenda items only and is not intended to be a question-and-answer session. If your comments are not about agenda items, you will be asked to cease your comments. If a question is posed, the individual may be referred to the superintendent for follow-up.

When your name is called, please approach the podium and begin by stating your name and municipality. Each speaker is allotted three minutes; you will be asked to cease your comments at three minutes. We kindly ask that all comments be directed to the board as a whole, rather than to individual members.

We appreciate your cooperation in maintaining a respectful environment. Please be considerate of all speakers and their opinions, including those that differ from your own. Thank you for your understanding.
