

Teaching is an absolute passion of mine and I am looking forward to working with you and your child this school year! This school year will be filled with fun, learning and lots of adventure. I am excited to see what is in store for us!

Our Butler team will be striving to give each student the tools to grow and learn. Additionally, we pride ourselves on being advocates for our students and supporting all families as best we can. We are in this together!

As you already know, it is extremely important to work collaboratively to enhance the greatest success for your child. I encourage you to reach out if you have any questions or concerns. I can be contacted through email at stacy@mtmc.org or [978-234-0000](tel:978-234-0000).
