

Goals and Objectives

This section lists annual goals related directly to the student and are directly related to assessment results and needs described in the present levels of performance. Short-term objectives may also be listed under annual goals. Each goal also includes how progress will be monitored and when reports on progress will be provided to parents (each quarter – 9 weeks). Goals must be measureable and they should be attainable within one calendar year.

Special Education/Related Services/Supplementary Aids and Services/Program Modifications

Amount of Support

The specific amount of special education support a student will receive. The levels of support are as follows:

Itinerant: Special education supports and services provided by special education
