

Welcome to Third Grade

Welcome to Third Grade at Bridge Valley Elementary! We are looking forward to meeting you and we can't wait to hear about your summer!

In third grade we will be studying many fascinating units. Some of those units include Geography, Life Cycles, People and our Communities, Economics, and the Solar System. We will also continue building on our reading, writing, and math skills. Learning cursive writing, multiplication, and division are just a few of the awesome aspects of third grade.
