

How can I download YouTube videos?

1. Find the video on YouTube that you want to use.
2. Copy the URL of the video and go to <http://www.keepvid.com>
3. Paste the URL into the bar at the top. Then click "Download" to the right of that bar. It will load for a few seconds, and then you'll have the option to download the video.
4. Use MP4, as it has the greatest compatibility.
