Microsoft Forms is a new part of Office 365 Education that allows teachers and students to quickly and easily create custom quizzes, surveys, questionnaires, registrations and more. When you create a form, you can invite others to respond to it using any web browser, even on mobile devices. As results are submitted, you can use built-in analytics to evaluate responses.

Getting Started is easy!

Step 1: Sign in to Office 365. Go to the waffle and select the form app or go to <u>https://forms.office.com</u>

Step 2: When
