6. The Student and Parent/Guardian understand and agree that they will not attempt any repairs on the Device and that damage must be reported to the school. The student will , under the category of 1:1. The school

will sign out a loaner device to the Student. It is important not to delay as one problem can lead to another if not solved right away. If your device is damaged, we will fix it or send it out for repair. Under no circumstances should you or anyone else
